**REMARKS**

Claims 1-22 are currently pending in the above application.

Applicants note that prosecution as to the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. Applicants herein acknowledge that the application is in condition for allowance except for the following formal matters that are corrected herein.

First, Applicants have amended pages 1 and 3 to include the serial number for the related application as per the Examiner's request.

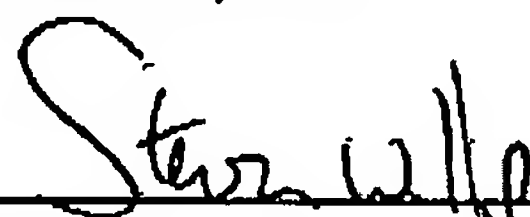

Second, Applicants have amended the Figures 3-6 to include reference numeral 36, relating to an engaging circuit, and to include reference numeral 202, relating to the inner spool. Applicants have also amended the specification in paragraph [0058] to correctly recite inner spool as 202, not 200.

Third, Applicants have corrected claim 20 to correctly state "second", not "first," as the Examiner suggests.

In view of the foregoing amendments and remarks, Applicant submits that claims 1-22 are allowable. The Examiner is invited to telephone the Applicant's undersigned attorney at (248) 223-9500 if any unresolved matters remain.

Respectfully submitted,

**ARTZ & ARTZ, P.C.**
